

innovate...lamine

The PEAK lite range combines functional design with modern style and is available in 2 models

A3

A4

1 Year Warranty

Reverse Mode

Temperature Control

**Design**

If you are looking for an affordable laminator without having to compromise on features, then the Peak lite system offers great value and includes temperature control and anti-jam reverse.

**Style**

The space saving, lightweight design fits neatly into any working environment and the stylish design looks attractive in the office or home.

**Reliability**

The Peak lite models have a high specification build quality and produce a professional, bubble-free finish.

**IDEAL FOR LAMINATING**

- ID and business cards
- posters & notices
- photographs
- certificates
- menus

**GREAT FOR USE**

- around the home
- in the office
- at a garden centre or retail outlet

# PEAK LITE series
